TECHNICAL SPECIFICATIONS.

Your advertisements will need to comply with the following specifications:

- Accepted file types for artwork are - JPEG, TIFF, EPS.
- All fonts should be outlined so no active fonts exist within artwork.
- Colours should all be set to CMYK, SPOT colours should NOT be used.
- Files should be set to correct dimensions with crops and 3mm bleed included.
- The resolution of the files should be 300dpi.

If your supplied files do not meet these accepted standards you may be subject to additional costs to process your artwork. If you are unsure about your artwork and how to set this up please check with us before sending.

Your files should be sent to -
design@enjoysoho.co.uk

DID YOU KNOW....?

As a monthly average - **1,400,000** people in the uk search for restaurants in london.

134,000 Americans sit at there computers every month and search for clubs in london.

How about **1,800,000** brits search for clubs and bars in london.

And **144,800** People in america want to know where the party is in london.

Last but most amazing...

Over **half a million people** worldwide are searching for a london companion every month.

“now you tell me if there is a demand!”

“Enjoy Soho a new way of life.”
